Lee High School became a dedicated magnet school in 2013 focusing on Science, Technology, Engineering and Math (STEM). The school's *mission* is to provide a college preparatory curriculum that will enable students to be lifelong learners, critical thinkers, and ethical citizens who can function in an increasingly technical, diverse and global environment. The state of the art campus and specialized electives in Engineering, Digital Media, Computational Thinking, and Biomedical Sciences makes Lee Magnet High School "A School Like No Other!"

The curriculum offers 23 Advanced Placement courses, 16 Dual Enrollment courses with Louisiana State University, 15 Honors courses, and Engineering, Digital Media, Computational Thinking and Biomedical elective courses. LEE is a 1-to-1 school where students are provided with a laptop or Chromebook for the entire school year and are permitted to take their devices home. Teachers maintain Google Classrooms as instructional management systems where students collaborate and submit work online. Ninth and tenth graders participate in a mandatory reading program through the Accelerated Reader Program and Springboard, a pre-advanced placement course. All grade levels have an opportunity to participate in over 40 student-led clubs and organizations, including an active student government association which meets regularly with administration to address student concerns.

The current enrollment is 1050 East Baton Rouge Parish students in grades 9-12. The student population is two-thirds female, sixty-eight percent African American, nineteen percent Caucasian, seven percent Asian and five percent Hispanic. The current freshman class includes students from public and private middle schools in the parish as well as out-of-state schools and home-school environments. As a result, these students come into a rigorous college preparatory magnet curriculum from a variety of academic backgrounds.

This year, LEE celebrated 2 National Merit Commended students, 34 AP Scholars, 6 AP Scholars with Honor, and 8 AP Scholars with Distinction. The most recent graduating class, totaling 176 students, had a 22.5 average ACT score while the state average was 19.6.

### Advanced Placement Courses

Biology II  
Biology II Lab  
Calculus AB  
Calculus BC  
Chemistry II  
Chemistry II Lab  
Computer Science A  
Computer Science Principles  
Economics: Macro & Micro  
English Language  
English Literature  
Environmental Science  
Government: US and Comparative  
Human Geography  
Physics 1 and 2  
Physics C: Mechanics and E&M  
Psychology  
Spanish Language  
Statistics  
U. S. History  
World History

### Dual Enrollment Courses

ART 2050 Digital Art I (3)  
ART 2055 Digital Art II (3)  
CSC 2700 Computer Science (3)  
ENGR 1050 Intro to Engineering (2)  
IE 3201 Engineering Economy (3)  
FREN 1001 Elem French I (4)  
FREN 1002 Elem French II (4)  
FREN 2101 Inter French I (3)  
FREN 2102 Inter French II (3)  
MATH 1021 College Algebra (3)  
MATH 1022 Trigonometry (3)  
MUS 2745 Intro to Computer Music (3)  
SPAN 1101 Elem Spanish I (4)  
SPAN1102 Elem Spanish II (4)  
SPAN 2101 Inter Spanish I (3)  
SPAN 2102 Inter Spanish II (3)

### Engineering Electives

Intro to Engineering  
Intro to Computational Thinking  
Intro to Robotics  
Programming for Engineers  
Principles of Engineering  
Data Manipulation & Analysis  
Engineering Economy  
Engineering Design & Development

### Digital Media Electives

Digital Storytelling  
Computer Science in Media  
Photography I & II  
Digital Art I & II  
Video and Film  
Video Game Design  
Web Design  
TV Production  
Interactive Digital Media Capstone

### Biomedical Electives

Intro to Biomedical  
Computer Science in Biomedical  
Principles of Biomedical  
Cell Biology & Genetics  
Microbiology  
Forensic Science  
Research Methodology

### Honors Courses

English I & II  
Algebra I & II  
Geometry  
Advanced Math  
Physical Science  
Biology  
Chemistry  
Chinese I & II  
French III, IV, V  
Spanish III

### School Administration

Rob Howle, Principal  
Cindy A. Perret, Assistant Principal  
Glen Blankenship, Assistant Principal  
Shawona Ross, Assistant Principal  
Natishia Thanni, Academic Dean  
Robin Chapman, Executive Secretary
